HOW TO USE THE DIRECTORY

Refer to a person's name in Who's Who, which is followed by the firm's name.

The firm's name in the List of Hongs gives the business address and other information.

A person's name in the Residential Directory is followed by the resident's private address.

A private address in the Street Directory gives the position of the house, the name of the street in Chinese, etc.

Special Attention is drawn to the Agency List following the Shanghai Hongs. This contains over 3,000 agencies held by Shanghai firms. If you wish to find the agent of some particular motor-car, electrical battery or engine, refer to this list, which will give you the local agent's name.

THE NORTH-CHINA DAILY NEWS

A morning newspaper seven days a week, with an illustrated supplement every Sunday printed on art paper

THE NORTH-CHINA DAILY NEWS has for upwards of a century been recognized and quoted as the leading China foreign Newspaper. It has created for itself, and established for others, a model of what is required by readers and advertisers: a balance of news and opinion, a complete and impartial view of both Chinese and Foreign Affairs, Financial Surveys, Sport, Recreation and Literature.

Writers of several nationalities write on all subjects of national and popular interest, and reviews of plays and cinemas appear regularly. The advertising appeals to the highest class of readers—and the wealthiest.

China Architects and Builders Compendium

The Local Property Owners' Encyclopædia

Either as investor, land owner, or tenant, nearly everyone in Shanghai is financially interested in land and houses. Land assessment, transfer and development, and the building and repair of houses are subjects on which everyone should be informed or have information in the form of easy reference handy. The Compendium deals fully and intelligently with all these activities, and its catalogue of locally obtainable materials and manufactures is invaluable.

THE NORTH-CHINA DAILY NEWS

A morning newspaper seven days a week, with an illustrated supplement every Sunday printed on art paper

THE NORTH-CHINA DAILY NEWS has for upwards of a century been recognized and quoted as the leading China foreign Newspaper. It has created for itself, and established for others, a model of what is required by readers and advertisers: a balance of news and opinion, a complete and impartial view of both Chinese and Foreign Affairs, Financial Surveys, Sport, Recreation and Literature.

Writers of several nationalities write on all subjects of national and popular interest, and reviews of plays and cinemas appear regularly. The advertising appeals to the highest class of readers—and the wealthiest.

THE NORTH-CHINA DAILY NEWS

A morning newspaper seven days a week, with an itemstated supplement every Sunday printed on art paper.

THE NORTH-CHINA DAILY NEWS has for upwards of a century been recognized and quoted as the leading China foreign Newspaper. It has created for itself, and established for others, a model of what is required by readers and advertisers: a balance of news and opinion, a complete and impartial view of both Chinese and Foreign Affairs, Financial Surveys, Sport, Recreation and Literature.

Writers of several nationalities write on all subjects of national and popular interest, and reviews of plays and cinemas appear regularly. The advertising appeals to the highest class of readers—and the wealthiest.

THE NORTH-CHINA DAILY NEWS

A morning newspaper seven days a week, with an illustrated supplement every Sunday printed on art paper

THE NORTH-CHINA DAILY NEWS has for upwards of a century been recognized and quoted as the leading China foreign Newspaper. It has created for itself, and established for others, a model of what is required by readers and advertisers: a balance of news and opinion, a complete and impartial view of both Chinese and Foreign Affairs, Financial Surveys, Sport, Recreation and Literature.

Writers of several nationalities write on all subjects of national and popular interest, and reviews of plays and cinemas appear regularly. The advertising appeals to the highest class of readers—and the wealthiest.

Writers of several nationalities write on all subjects of national and popular interest, and reviews of plays and cinemas appear regularly. The advertising appeals to the highest class of readers-and the wealthiest.
